

Year 2 International Week 7th March - 10th March

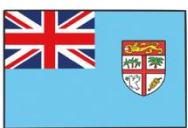

Welcome to International week 2021 at GES! There will loads of fun activities going on across the year group. There will be a parade of the children's costumes wearing clothes or colours from the countries they are studying on Wednesday.

In each year 2 class we will be looking at different countries and the aspects of our chosen countries including general information (capital city, population, language) food, dances, local customs, famous landmarks, tourist attractions, culture, sports, famous people, physical features (mountains, rivers, lakes and seas/oceans) and important events in history.

Children will be giving up science and topic lessons this week to complete this work. Wednesday is Parade day and children are encouraged to dress up in the colours of the country their class is studying for the parade. There will be prizes for best costumes!
