

## YEAR 4 INTERNATIONAL WEEK 7<sup>th</sup> – 10<sup>th</sup> MARCH

Welcome to International Week! Over the course of the week there will be lots of exciting opportunities for children to engage in fun learning experiences. Each class in Year 4 has chosen a different country to research. Children will find out about their chosen country's culture, the customs, the geography, famous landmarks, flag, food, language, local currency and important historical events. Children will have the opportunity to conduct research projects, while learning fun facts. There will be a party and a dress up day on Wednesday; children will have the opportunity to wear colours of their country's flag or their country's famous costume.

There will be a certificate and prize for an International Week student for each class. The above list is not exhaustive and some classes' activities will vary. Over the course of the week the activities will be conducted within Guided Reading and Topic lessons.

**Happy International Week everyone!**
