INTRODUCTION- Skoolee At A Glance

Skoolee is a School Management, Student Information and Learning Management System, built to suit GES requirements. It communicates Grades, Attendance, Behaviour, Referrals, Assignments, Report cards, Schedules, School calendar, Medical info, Resources by Subject, Resources by Class Section and other dynamic information among students, parents, teachers and school administration.

Skoolee accommodates both languages: English and Arabic. Every staff member as well as parents and students have their own profile with different permissions and privileges to access Skoolee.

Parents can:

- Access their children's grades by reports and exams.
- Monitor their children's behaviour and attendance records.
- View their children's time table.
- Keep up with what is happening in school with announcements, news, school events and holidays.
- Keep up to date with a combined personal and school-wide online calendar.
