

# PRE KG Medium Term Plan – All About Me 2023 - 2024

## Literacy

During this topic, the children will be introduced to new vocabulary related to their family members such as father, mother, sister, brother etc. We will be reading and exploring stories that revolve around families. We will also be learning the names of different body parts. Children will practice their mark making skills by drawing and painting pictures and posters of their families. We will be learning and singing phonic songs and songs to do with families and our bodies.

## Understanding the world

We will be introducing the children to the five senses. Children will be encouraged to use their sense of touch to explore different materials. We will be doing investigations around the sense of smell and taste. The children will also be taken outside on a sight/hearing walk. We will use this topic to discuss families and family trees.

## Communication and Language

The children will be learning lots of new vocabulary, learning many songs and listening to a range of stories based on the topic. Children will be encouraged to engage with both their peers and the teachers in the role play and small world areas where they will start to use their new family orientated vocabulary.

Pre KG  
Autumn 1  
All About Me

## Art and Expressive design

Children will be introduced to different ways of expressing their creativity i.e. painting, collaging, colouring etc. We will be creating art work using body parts i.e. hand prints/ foot prints/ fingerprints. We will also be creating artwork based around the family and based on the different stories that we cover during this topic. Children will be making posters of their bodies using different shapes.

## Maths

Children will be recognising colours. They will be able to sort by attribute (size, texture, colour, shape, weight). Children will recite the numbers to 5. We will be focusing on and exploring the number 1. The children will be encouraged to count their body parts i.e. 2 eyes, 5 fingers, 1 nose.

## Physical Deveopment

During this topic, we will use the story 'From Head to Toe' to think about our body parts and explore what we can do with each part i.e. kicking, hopping, clapping, jumping and more.

## Personal, Social and Emotional Development

As it is the first topic of the year, we will be spending time settling the children into their new environment. Children will be learning the school and class rules and expectations. Children will start exploring new friendships and we will focus on kindness and learning that everyone is unique.
